

Come learn about the advantages of C3, how to make it a successful practice, and how to support the process of implementing this approach!

Objectives

- *Share knowledge & guidance on co-planning to co-serve & co-learn
- *Foster collaboration & networking for local educators & teacher candidates around best practices
- *Instill an openness & willingness to implement C3
- *Increase understanding & advocacy from administrators in this process

Registration

About the Presenters

Katie Kusilek is an Instructional Support Teacher in the School District of La Crosse with an emphasis on C3 implementation and EL support & coaching. Katie has over 12 years of experience teaching, where she has successfully co-planned and co-served in multiple grade levels at the elementary level.

Amber Gentry, a third grade teacher, and Kristy Schellenger, a first grade teacher, each have over 8 years of experience in the classroom. Amber and Kristy have co-planned and co-taught for many years with an EL teacher to best support high levels of learning and rigor for all of their students.
